Kadaugan 2021

Kadaugan sa Mactan (Victory at Mactan) is a yearly festival celebrating Lapulapu's victory against the Spanish invaders. The annual re-enactment of this important event is held every April 27 at the Liberty Shrine, Mactan, Lapu-lapu City where the actual battle between Lapulapu and Ferdinand Magellan and their men is said to have taken place 500 years ago.

Despite the challenges brought about by the pandemic, Kadaugan 2021 is a huge success. National and local government officials attended the event.

Lapu-lapu City Mayor Junard Chan said "the bravery of Lapulapu, made this City the cradle of independence, the bastion of freedom, and the birthplace of the first Filipino heroism."

This year's theme is Victory and Humanity. Victory according to Executive Secretary Salvador Medialdea, who is also the chairman of the National Quincentennial Committee (NQC) was clearly manifested in Lapulapu's gallantry in the battle of Mactan while the Humanity aspect is our ancestors' compassion upon the arrival of the starving, dehydrated, and scurvy-stricken crew of Magellan.

Rene Escalante, Executive Director of NQC said in his message that we Filipinos are generous, hospitable, and peace-loving but if somebody would threaten our sovereignty and disturb our social and political equilibrium, we are ready to defend our country.

Aside from the re-enactment of the battle of Mactan, the morning started with the unveiling of the historical markers, flag-raising rites, wreath-laying rites and the presentation of the Lapulapu commemorative stamp by Post Master General Norman Fulgencio.

The event last April 27, 2021 marked the culmination of the nationwide quincentenary commemoration for the first circumnavigation of the world, spearheaded by the NQC.

What Guests Say About Cebu

Water World Cebu

"The experience was awesome! At first we were very hesitant to go to WaterWorld Cebu because of the pandemic, but we finally decided to try it out and we're very glad we did because we received exceptional service from the staff. Strict COVID guidelines are implemented inside the waterpark and the food is delicious! We'll surely go back for more splashing!"
- Maria Elena Caballes

"Our whole experience in WaterWorld Cebu was amazing! They followed COVID protocols whilst maintaining the fun. Great food, amazing slides, welcoming staff and a whole package of excitement! Me and my family will surely come back!" - Abigail Pacquiao

"When we learned that WaterWorld Cebu reopened, it took us a long time to visit due to the pandemic. We really reviewed and asked their personnel regarding their precautionary measures. When we visited, we had to really follow the imposed COVID protocols like wearing face mask and social distancing. We were also given a form to fill out for contact tracing and our temperatures were taken. Alcohol dispensers are scattered throughout the park. Our overall experience was great! The staff were very friendly and approachable. They were very understanding about our fear of COVID and we were happy when they informed us that the COVID virus does not survive in chlorinated water. I would highly recommend visiting WaterWorld Cebu!"

"Came from Lapu-lapu City, the shuttle was very kind enough to wait for us as we were late for about 30 minutes from the required pick-up time. From there, we had to travel over an hour to get from the city to Danasan. The long travel was a bit of a surprise. Overall, the place was great and the staff were awesome. Definitely want to go back!" - Maria Eden

"A great place to unwind with family, scenery of mother nature is spectacular with great food and hospitable employees." - Tajai Cass

"Located in Danao City, the adventure park serves as a multi-purpose destination for people seeking adventure, looking for a place to unwind, nature lovers, and for those who love water because of the falls and water sports activities. Rafting is also part of their offered activities yet it's not as easy as it looks like from watching. But at least we're able to try and experience it. There are also a number of food choices available."
